## MERIDIAN GRAND BALLROOM

Our largest and most opulent space is our Meridian Grand Ballroom. This can be used as one large space, or subdivided via integrated soundproof partitions, into two smaller ballrooms – the Grand Ballroom and the Meridian Ballroom.

As one large space, the Meridian Grand Ballroom has capacity for over 800 guests for a dinner dance. It also boasts four 3-metre wide HD projection screens. Integrated colour changing mood-lighting allows clients to theme the event to their corporate colours at a touch of a button.

Subdivided into two smaller spaces, clients are able use the Meridian Ballroom as a drinks reception area, and the Grand Ballroom for a seated dinner (see example floorplans on the opposite page). This can also work well if clients choose to have two separate party 'zones', or wish to create an afterparty area after the main dinner.

# CLIENT FEEDBACK

*"We held our company's 30th Anniversary Gala Dinner at Meridian Grand. The team at Meridian Grand were fantastic, and helped us with every element of our event, from event design to catering. They created a beautiful 30th Anniversary 'Pearl Ball' theme, which they followed through by designing matching pearl-themed décor and bespoke pearl-themed stationery, such as menus and seating plans. They sorted out a variety of entertainment and production, including pearl-themed hostesses, acrobats and floating human drinks tables; an 'oyster' shucker; a comedian and ice sculpture; as well as a DJ and scalextrics track for our after party.*

*They managed the entire event, from start to finish, including helping to coordinate the charitable auction and all the media for the event. The in-house production lighting meant we had the perfect ambience for all three elements of our event – the drinks reception, the seated formal dinner, and the afterparty.*

*The quality and presentation of the food was outstanding, and we had compliments from all of our guests both about the canapes, live sushi station, 4-course seated dinner and the after-party barbecue pizza stand catered for us by Meridian Grand. I would highly recommend Meridian Grand for an unforgettable event experience."*
